We're committed to providing  
the highest standards of  
patient care.

We want you to leave fully  
satisfied with the service  
you have received and the  
products we supply.

## Core Service Offer

The core elements of our service available to all of the care homes we serve:

1. Deliveries 7 days a week, 365 days a year
2. No interim cut off time - if we are open and have the item in stock, we will get it out to you on the same day
3. Colour Coded MAR charts with ample room for signing
4. Light weight colour coded MDS system
5. Innovative Electronic Medicines Management system - The market leading Proactive Care System (PCS)
6. Full Accredited medicines management training offered
7. Pharmacist Audits to support your CQC visit
8. Storage Solutions for your medication
9. T-MAR for topical creams

When this pharmacy is closed, health advice and information, including details of your local health services is available 24 hours a day.  
You can use:

NHS choices: [www.nhs.uk/nhsdirect](http://www.nhs.uk/nhsdirect)

NHS Direct on 111

If you are looking for a proactive pharmacy partner who understands the medication needs of Care Homes to help support CQC requirements then please contact midnight pharmacy - the care home specialists.

We are happy to come to see you and show you how much better and easier medication can be in a care home.

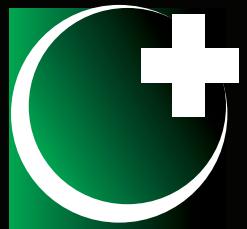

Let us take away the hassle of medication compliance with our unique pharmacy service.
